“Good Times Gone By”

As the Eagle staff collected the highlights, it was decided that the memories, when organized, contained a similar form to that of a play.

Directors who guide the cast and stars. The crews who pull together to really make a play a success are much like our crews who work together for success. Then to highlight any play are the special effects.

Just use your imagination! Hopefully you too will see yourself featured in the play "Good Times Gone By."

"Football" 1979

The Football team traveled the tough road of adversity all year. The tone was set when David Norton (starting center) broke his thumb during the first week of practice. Injuries and bad luck were to hound us the entire season. In some games, we had as many as six starters sidelined.

Still the mighty Eagles fought on. Quitting was one word they didn't know. We made one of the greatest comebacks I've ever seen against FC-M. Our last game against LeRoy was a gutty, hard fought contest; one I'll never forget. I was carried from the field (in my last game as Coach of the Eagles) on the shoulders of my players. This is the greatest tribute a coach can receive. Thanks Eagles, for the past seven years.

John W. Lenz
Head Football Coach

JUMP BALL!!!

The Eagles highlighted a very successful season with come from behind victories over highly favored Decatur St. Teresa and state-ranked Georgetown on the path to a sectional runner-up finish.

The 1979-80 team became only the third Eagle team to advance to the sectional championship game of the state tournament series.

The Eagles were led by Dan Pearl and Rick Duggins. Both were unanimous all-conference selections. Roger Huisinga received honorable mention all-SVC. Karl Parrish, Steve Riddle, and Phil Carter rounded out the starting line up.

The Eagles were second in the SVC as they dropped the season finale at Fisher, dropping D-W out of a tie for first place.

The Eagles set school records in team free throws shooting a percentage of 67.8 for the season and in field goals shooting 50.1 percent for the year.

Pom-Pon Girls Get "Boogie Fever"

With new uniforms and new ideas, the pom-pon squad kicked into the 1979-80 season on a good note. Profits made from a stand at the DeLand Homecoming and Send a Friend a Flower Day helped in the purchase of the new uniforms. Many of the new ideas came from five of the girls who attended summer camp. The girls worked under the leadership of Shelly Edwards. Much time was spent by each member of the squad in making and practicing routines for basketball games.

Shelly Edwards — Captain

FRONT ROW: Annie Langley, Annette Cole, Kathryn Baker, Lori Bolin, Beth Baker. BACK ROW: Neisha Dixon, Shelly Edwards, Robyn Moore, Cheryl Doolin, and Kim Fisher.

Huddle Up

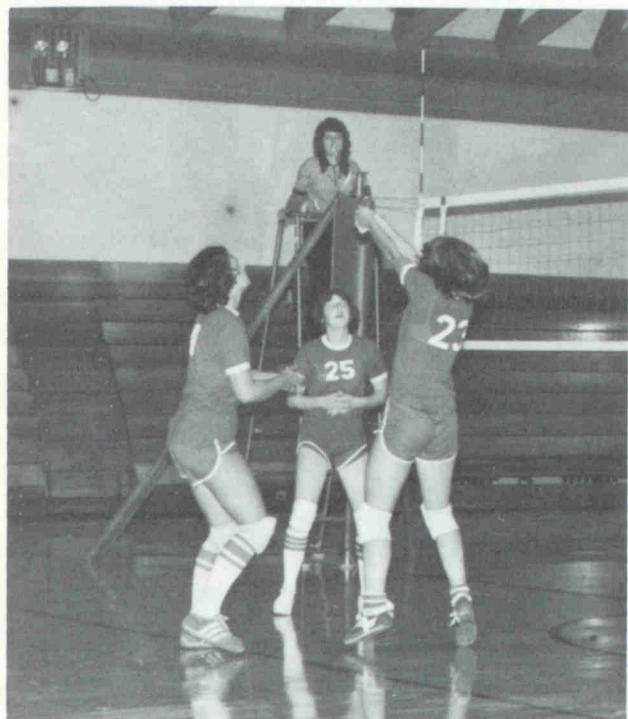

Yes, the girls had a basketball team. They were not great in numbers, but they made up for it by being good. The girls played eight games with determination to win each time. They came out of their season with a record of four losses and four wins.

Feels So Good

This year's band really showed its versatility by again winning the class D state marching band championship at I.S.U., and also by winning class C-D at E.I.U. The band capped the marching band season by winning first place in both parade and show competition at the U. of I. Invitational. Besides winning many group awards, this year's group won many individual awards. Our percussion unit and drum major won outstanding awards in their class at E.I.U.

Many members of this year's band participated in the I.M.E.A. district band at Bloomington. Also, many of the upper classmen participated in the E.I.U. Honor Band.

This year's band also participated in solo and ensemble contest at Hoopeston-East Lynn. The band participated in organizational contest at Monticello.

The pep band was also active this year. The band performed at Parkland on D-W Night.

Chorus Performs "The Sound of Music"

The high school Choral Department was involved in various activities this year. They gave Christmas and spring concerts featuring several different styles of music. The Choral Department is under the direction of Mrs. Patty Finks.

A Swing Choir consisting of 12 girls was chosen in the fall. They were featured in both concerts and entertained for community events.

The "Sound of Music" was performed April 11. The gym was filled with a large audience who participated in the "hills coming alive." The director was Miss Laura King with Marilyn Carter as Student Director.

Selected students took part in two festivals this year. In the fall, they attended an IMEA Festival and the Sangamon Valley Conference Festival in the spring.

AFS Stays Active

Sponsor, Mrs. Olimpio and President Randy Kizer

The members of the AFS Club were very industrious this year. The president, Randy Kizer, and all the other officers worked hard for this very important organization. AFS is important because without it we wouldn't be able to welcome people like Glaida Penna to our community. The 1979-80 school would have been a little less exciting and interesting without Glaida to help us learn about people from other parts of the our world.

The AFS Club sponsored a successful Haunted House last fall, celebrated Glaida's birthday with a beautiful gift (and great food), and was able to get together for some good times.

CAST

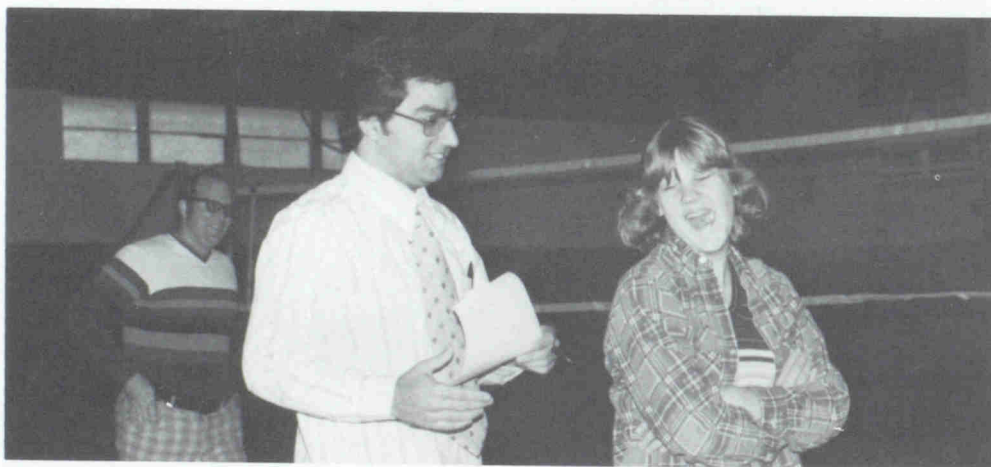

New Experiences Await Freshmen

The Freshmen came in with lots of potential and desire to work. Their efforts were seen everywhere — the musical, sports, band, pom-pom, homecoming wall decorations — just everywhere! Hopefully, the spirit of the Freshmen hold can be maintained throughout the rest of their years at D-W.

President, Lisa Edwards; Secretary, Joni Brian; Treasurer, Pam McConkey; Vice Pres., Tina Massey; Student Council, Pam Palmer.

Reaching the Top

For the class of 1980, uniforms, pizza after the games, parties, lobby privileges, and DeLand-Weldon are all things of the past. They are good times that are never to be forgotten by those who learned, grew, and enjoyed their high school days together. At times seemingly unsolvable problems would break up the good times, the class would ask "why us" and move on. The memories at DeLand-Weldon are memories to be treasured forever.

Roger Huisinga

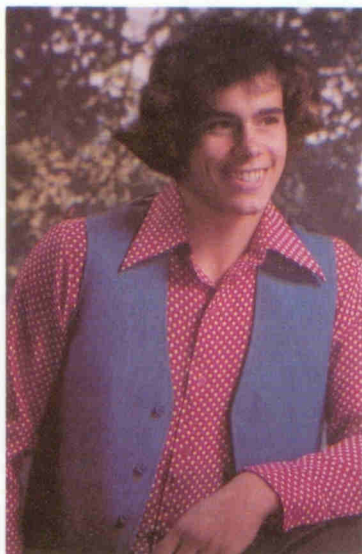

Good Times with Glaida

Glaida arrived in late July from her home in Coronel Fabriciano, Brazil to make her new home as an AFS student with the Colbert family of Weldon. Glaida loved piano, ballet, and snow, but did not really care for the cold weather.

With her smile and warm personality, Glaida brightened the halls of D-W. We hope Glaida, like us, will hold many memories of the good times gone by.

SNEAK PREVIEW

Midnight Magic Was Homecoming Theme

This year's Homecoming week was filled with exciting activities. Each day presented a different interest to the student body. The week ended with a pep assembly before the homecoming game. This year was the first year for a Spirit Stick to be given to the class with the most spirit. The winner of the stick was the seniors.

The night after the game, the Grand March and dance was held. "August Heet" entertained the public along with the students. Jackie Huisinga and John Palombo crowned the new King and Queen, Dan Bolin and Kristi Hogan.

Queen, Kristi Hogan; King, Dan Bolin

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes.

The second part of the paper focuses on the methodology used in the study. It describes the process of selecting participants, collecting data, and analyzing the results. The authors emphasize the importance of using a mixed-methods approach to gain a comprehensive understanding of the research topic.

The third part of the paper presents the findings of the study. It discusses the results of the quantitative data analysis and the insights gained from the qualitative interviews. The authors conclude that there are significant cultural differences in the way that students learn and that these differences should be taken into account when designing educational programs.

The final part of the paper discusses the implications of the findings for future research and practice. It suggests that further studies should be conducted to explore the cultural factors that influence learning outcomes. Additionally, it recommends that educators should be trained to recognize and address cultural differences in the classroom.
